

BUILDING COMMONS FOR CLINICAL LLMs

PROGRAMME

Day 1: Thursday, October 1st, 2026

8:30 - 9:00 AM | Check-in at PariSanté Campus

9:00 - 9:15 AM | Welcome speech

► Conference Scientific Committee

9:15 - 9:45 AM | *Generative AI in Health: Global Trend in 2026*

► Daniel Ting, Duke NUS, Singapore

9:45 - 10:15 AM | *MeditronFO: a fully open pipeline to create medical expert LLMs*

► Lars Klein, EPFL, Switzerland

10:15 - 11:15 AM | Panel discussion - *Building Commons for Clinical LLMs: Models, Training Dataset, Cross-Lingual Challenges, and Governance*

11:15 - 11:45 AM | Break

11:45 - 12:15 PM | *Guideline for responsible development, validation, implementation, and monitoring of generative AI in healthcare: The GENAISIS Framework and Guideline*

► Carl Moons, UMC Utrecht, Netherlands

12:15 - 2:00 PM | Lunch and poster session

2:00 - 2:30 PM | *Building Ecosystem to Develop Medical LLM in Native Language*

► Jun Seita, Riken, Japan

2:30 - 3:00 PM | *From Answers to Action: Building the Evaluation Stack for Healthcare AI*

► Suhana Bedi, Stanford Medicine, USA

3:00 - 4:00 PM | Panel Discussion - *Deploying LLM-Based Solutions into Clinical Practice: Challenges, Governance & Perspectives*

4:00 - 4:30 PM | Break

4:30 - 5:00 PM | *PARTAGES : Advanced Development of Digital Commons for Generative Artificial Intelligence in Health*

► Aurélie Névéol, LISN, France

5:00 - 5:10 PM | Day 1 Closing Speech

► Conference Scientific Committee

5:10 - 7:30 PM | Cocktail Reception and Poster Session
